

Woolwich Counselling Centre is a not for profit, community-based counselling agency facilitating emotional and mental wellness in the Townships of Woolwich and Wellesley and beyond. We create awareness, provide education, and promote preventative mental well-being for individuals, families and communities. In partnership with other community agencies, we act as a catalyst for healthy living.

Woolwich Counselling aims to be an employer of choice by offering flexibility, a small team environment with individual and group supervision, competitive compensation packages, and attention to work-life balance. We offer reputable clinical services and rank highly in client satisfaction. We are looking for another child counsellor to join our reputable, experienced and growing team!

**Child Therapist (Part-Time)  
(2-3 days/week; Mon-Thurs; some evening work required)**

Overall responsibility of the child therapist is to provide a high standard of professional counselling services to children, youth and their families. Primarily working with children (ages 4-12) who may be experiencing a range of emotional, social and behavioural challenges. This position acts as a resource to the larger community by offering expertise and education when necessary.

**Qualifications Include:**

- Master's Degree (M.S.W. preferred) from a university of recognized standing.
- Registration and in good standing with appropriate college and credentialing body.
- Minimum of three years of counselling experience with strong clinical knowledge and assessment skills in the treatment of the child and youth population.
- Proven ability to intervene competently with a range of presenting concerns incorporating a broad set of strategies and interventions from recognized theory bases
- Understanding of, and adherence to, scope of practice guidelines as per education and training
- Ability to creatively develop and lead children's groups and programs in collaboration with other team members and community partners, such as in-school supports
- Excellent interpersonal skills to effectively establish therapeutic relationships with distressed clients.
- Strong ability to connect and collaborate with community partners and referral sources
- Preference for candidates with specialization and past experience working with a broad range of children, including trauma work, CBT, Theraplay, etc
- Motivated to pursue professional development opportunities to enhance professional skills.
- Knowledge of data base programs and electronic recordkeeping; possessing strong computer skills.

We offer a competitive salary, health and wellness spending account, and retirement savings contributions.
