# Quick Response Counselling

**For Children and Youth**  
*No Cost*

When a child or youth in our community is experiencing a challenging time, our goal is to get them feeling connected and supported quickly.

Quick Response provides children and youth up to the age of 18, and their families, a brief consultation and counselling session. Clients will leave with a plan including strategies and possible referrals to other supports or services.

Quick Response is available by appointment only through Woolwich Counselling Centre and is available to residents of Woolwich and Wellesley townships.

Quick Response at Woolwich Counselling Centre is offered through a partnership with Carizon ([www.carizon.ca](http://www.carizon.ca)).
