COUNSELLING
CENTRE PRESENTS**

EMPLOYEE ASSISTANCE PROGRAM (EAP) OPTIONS

2023 PRICE LIST

Initial Step:

Explore existing company benefit packages and leverage these as a first step in an EAP contract with Woolwich Counselling Centre. For example, if \$500 is available through benefits, WCC will first utilize these benefits to cover the first four sessions. Any additional sessions will fall under the following options:

Flat Rate Option: \$100/Full-Time Equivalent (FTE)

- WCC will provide up to four sessions to each family unit.
 - By leveraging company benefits as the first step, this could increase up to eight sessions per employee family unit.
 - If additional sessions are required, WCC will discuss this with the employer.
- Two 1.5-hour company-wide mental health/wellness session per calendar year, presented by WCC staff, is included.
- If required, WCC will be available to provide one company-wide critical incident debriefing session per calendar year.
- Additional mental health or wellness sessions, or lunch and learn sessions, can be purchased at a reduced EAP rate of \$200/hour.

Pay Per Use Option: Reduced EAP rate of \$110/hour

- Employees will contact WCC and will have access up to the maximum number of sessions per employee family unit as agreed upon by the employer. (Typically 4-8 sessions. Company benefits can be explored to increase this number).
- Additional mental health or wellness sessions, lunch and learn sessions, or critical incident debriefings can be purchased at an additional EAP rate of \$200/hour.

Notes:

- Both options can be tailored to meet individual company needs.
- All services are confidential. Employees are assigned confidential billing numbers. Employers are apprised of overall utilization rates and billing.
- Contracts are 1-2 years in duration. Flat rates may be renegotiated by either party based on utilization rates.
