NEURODIVERSITY UNLOCKED: UNDERSTANDING AND SUPPORTING UNIQUE PATHWAYS

ADULT WORKSHOP

No cost, virtual workshop

Has your child received an Attention-Deficit/
Hyperactivity Disorder (ADHD) or Autism diagnosis?
Unsure of which supports to turn to next?

This workshop will support you to learn the language to communicate your needs and priorities effectively to service providers. It will help you gain an understanding of what services align with your family's needs and values.

TUESDAY, OCT. 22 2024
